TITLE 3—THE PRESIDENT

PROCLAMATION 2902

GENERAL PULASKI'S MEMORIAL DAY, 1950
BY THE PRESIDENT OF THE UNITED STATES
OF AMERICA
A PROCLAMATION

WHEREAS, in various periods of history, freedom-loving men have willingly left their homelands to fight on foreign soil for the cause of liberty, as even now United Nations troops are battling in the Far East on behalf of that cause; and

WHEREAS an exemplar of this devotion to principle, Count Casimir Pulaski, came to America in 1777 to serve with our Revolutionary Army, and two years later suffered a mortal wound while leading the brave Legion which he had formed and which bore his name; and

WHEREAS we who are determined to hold fast to our heritage of independence may be spiritually strengthened by renewing our appreciation of the high motives and selfless service of this noble Pole:

NOW THEREFORE, I, HARRY S. TRUMAN, President of the United States of America, do hereby set aside Wednesday, October 11, 1950, the one hundred and seventy-first anniversary of his death, as General Pulaski's Memorial Day. I direct that the American flag be flown on all Government buildings on that date; and I urge the people of the United States to observe the day with ceremonies designed to commemorate the sacrifice made by General Pulaski for freedom's sake.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this 25th day of September in the year of our Lord nineteen hundred and fifty, and of the Independence of the United States of America the one hundred and seventy-fifth.

JAMES E. WEBB,

WHEREAS the act entitled "An act to authorize and provide for the maintenance and operation of the Panama Canal by the present corporate adjunct of the Panama Canal, as renamed; to reconstitute the agency charged with the civil government of the Canal Zone, and for other purposes," approved by me this date, authorizes the Panama Canal Company (created by such act) to prescribe and from time to time change the tolls that shall be levied for the use of the Panama Canal and provides that the existing rates of tolls shall continue in effect until changed as provided for therein:

NOW, THEREFORE, I, HARRY S. TRUMAN, President of the United States of America do hereby revoke the aforesaid Proclamation No. 2775 of March 26, 1948, as modified by the said Proclamations Nos. 2303, 2331, 2352, and 2375.

RULES AND REGULATIONS

TITLE 7—AGRICULTURE

Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders), Department of Agriculture

[Docket No. AO-160 A 12]

PART 961—MILK IN PHILADELPHIA, PENNSYLVANIA, MARKETING AREA

ORDER AMENDING ORDER, AS AMENDED, REGULATING HANDLING

§ 961.0 *Findings and determinations.* The findings and determinations hereinafter set forth are supplementary and in addition to the findings and determinations previously made in connection with the issuance of the aforesaid order and each of the previously issued amendments thereto; and all of said previous findings and determinations are hereby ratified and affirmed, except insofar as such findings and determinations may be in conflict with the findings and determinations set forth herein.

(a) *Findings upon the basis of the hearing record.* Pursuant to the provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U. S. C. 601 et seq.) and the applicable rules of practice and procedure, as amended, governing the formulation of marketing agreements and marketing orders (7 CFR Part 900) a public hearing was held at Philadelphia, Pennsylvania, on August 29 and 31, 1950, upon a proposed amendment to the tentative marketing agreement and to the order, as amended, regulating the handling of milk in the Philadelphia, Pennsylvania, marketing area. Upon the basis of the evidence introduced at such hearing and the record thereof, it is found that:

(1) The said order, as amended, and as hereby further amended, and all of the terms and conditions of said order, as amended, and as hereby further amended, will tend to effectuate the declared policy of the act;

(2) The parity prices of milk as determined pursuant to section 2 of the act are not reasonable in view of the price of feeds, available supplies of feeds and other economic conditions which affect market supply of and demand for milk in the marketing area, and the minimum prices specified in the order, as amended, and as hereby further amended, are such prices as will reflect the aforesaid factors, insure a sufficient quantity of pure and wholesome milk and be in the public interest; and

(3) The said order, as amended, and as hereby further amended, regulates the handling of milk in the same manner as and is applicable only to persons in the respective classes of industrial and commercial activity specified in a marketing agreement upon which a hearing has been held.

(b) *Additional findings.* It is necessary to make the present amendment to said order, as amended, effective October

1, 1950, to reflect current marketing conditions. Any further delay in the effective date of this order, amending the said order, as amended, will seriously disrupt the orderly marketing of milk for the Philadelphia, Pennsylvania, marketing area. The changes effected by this order, amending the order, as amended, do not require of persons affected substantial or extensive preparation prior to the effective date. In view of the foregoing, it is hereby found that good cause exists for making this order effective October 1, 1950 (see section 4 (c), Administrative Procedure Act, 5 U. S. C. 1003 (c)).

(c) *Determinations.* It is hereby determined that handlers (excluding co-operative associations of producers who are not engaged in processing, distributing, or shipping milk covered by this order, amending the order, as amended, which is marketed within the Philadelphia, Pennsylvania, marketing area) of more than 50 percent of the milk which is marketed within the said marketing area, refused or failed to sign the proposed marketing agreement regulating the handling of milk in the said marketing area, and it is hereby further determined that:

(1) The refusal or failure of such handlers to sign said proposed marketing agreement tends to prevent the effectuation of the declared policy of the act;

(2) The issuance of this order amending the order, as amended, is the only practical means, pursuant to the declared policy of the act, of advancing the interests of producers of milk which is produced for sale in the said marketing area; and

(3) The issuance of this order amending the order, as amended, is approved or favored by at least two-thirds of the producers who during the determined representative period (August 1950) were engaged in the production of milk for sale in the said marketing area.

Order relative to handling. It is therefore ordered, that on and after the effective date hereof, the handling of milk in the Philadelphia, Pennsylvania, marketing area, shall be in conformity to and in compliance with the terms and conditions of the aforesaid order, as amended, and as hereby further amended, and the aforesaid order, as amended, is hereby further amended as follows:

1. In § 961.4 (a) delete subparagraph (1) and substitute:

(1) *Class I milk:* * * * and provided further That the price shall be at least \$5.84 per hundredweight for milk received from producers during the months of October, November, and December, 1950, and \$5.44 per hundredweight for milk received during the months of January, February, and March, 1951.

2. In § 961.4 (b) (1) change the period to a colon and add the following: "Provided, That in case of Class I items containing less than 3.0 percent butterfat or more than 6.0 percent butterfat, the rate of differential prescribed in sub-

paragraph (2) of this paragraph based on cream quotations shall apply."

(Sec. 5, 49 Stat. 753, as amended; 7 U. S. C. and Sup. 602c)

Issued at Washington, D. C., this 26th day of September 1950, to be effective on and after the 1st day of October 1950.

Secretary of Agriculture.

TITLE 21—FOOD AND DRUGS

Chapter I—Food and Drug Administration, Federal Security Agency

PART 146—CERTIFICATION OF BATCHES OF ANTIBIOTIC AND ANTIBIOTIC-CONTAINING DRUGS

MISCELLANEOUS AMENDMENTS

By virtue of the authority vested in the Federal Security Administrator by the provisions of section 507 of the Federal Food, Drug, and Cosmetic Act (52 Stat. 1040, 1055, as amended by 59 Stat. 483, 61 Stat. 11, 63 Stat. 403; 21 U. S. C. and Sup., 357), the regulations for certification of antibiotic and antibiotic-containing drugs (21 CFR 146.1 et seq. and 1949 Supp., 15 F. R. 1073, 4547, 4576) are amended as indicated below:

1a. In § 146.34 *Tablets aluminum penicillin*, paragraph (c) (2) is amended by adding the following new subdivision:

(c) *Labeling.* * * *

(2) * * *

(iii) Unless the drug is intended solely for veterinary use and is so labeled, a reference specifically identifying a readily available medical publication containing directions and precautions (including contraindications and possible sensitization) adequate for the use of such tablets; or a reference to a brochure or other printed matter containing such directions and precautions, and a statement that such brochure or printed matter will be sent on request.

b. In § 146.34, paragraph (c) (3) is amended to read as follows:

(3) On the circular or other labeling within or attached to the package, if the drug is intended solely for veterinary use, directions and precautions adequate for the use of such tablets, including:

* * *

2a. In § 146.51 *Buffered penicillin powder*, paragraph (a) *Standards of identity, etc.*, the first sentence is changed to read as follows: "Buffered penicillin powder is a mixture of crystalline penicillin or procaine penicillin and suitable buffer substances, with or without two or more suitable sulfonamides, and with or without the addition of one or more suitable and harmless diluents, colorings, and flavorings."

b. In § 146.51, paragraph (b) *Packaging*, the last sentence is changed to read as follows: "Each immediate con-

tainer shall contain not less than 600,000 units and each may be packaged in combination with a container of a suitable and harmless aqueous vehicle, with or without two or more suitable sulfonamides."

c. In § 146.51, subparagraph (1) of paragraph (c) *Labeling* is amended by renumbering subdivisions (iii) (iv) and (v) as (v) (vi) and (vii) respectively, and by inserting two new subdivisions between subdivision (ii) and renumbered subdivision (v)

(iii) If the batch contains sulfonamides, the name and quantity of each such sulfonamide used in making the batch;

(iv) If it is a packaged combination of one immediate container of buffered penicillin powder and one immediate container of a vehicle, a statement giving the method of dissolving the penicillin;

d. In § 146.51, paragraph (c) is further amended by renumbering subparagraph (3) as (4) and by inserting the following new subparagraph between subparagraph (2) and renumbered subparagraph (4)

(3) On the label and labeling, if sulfonamides are present, after the name "Buffered penicillin powder," wherever it appears, the words "with sulfonamides," in juxtaposition with such name.

3. In § 146.208 *Aureomycin ointment* * * * the first and last sentences of paragraph (a) *Standards of identity, etc.*, and subparagraph (1) of paragraph (d) *Request for certification, etc.* are amended by deleting the word "aqueous"

4. In § 146.402 *Bacitracin ointment*, subparagraph (1) (iii) of paragraph (c) *Labeling* is amended by changing the figure "12" to "18"

Those parts of this order which provide for the addition of two or more suitable sulfonamides to buffered penicillin powder, for the deletion of the requirement that the diluent packaged with aureomycin ointment be an aqueous vehicle, and for a change in the expiration date for bacitracin ointment from 12 to 18 months shall become effective upon publication in the FEDERAL REGISTER, since both the public and the affected industries will benefit by the earliest effective date, and I so find.

That part of this order which provides for deletion of the requirement that a circular containing directions for use be packaged with tablets aluminum penicillin shall become effective 120 days after publication in the FEDERAL REGISTER.

Notice and public procedure are not necessary prerequisites to the promulgation of this order, and I so find, since it was drawn in collaboration with interested members of the affected industries and since it would be against public interest to delay the marketing of buffered penicillin powder with two or more suitable sulfonamides; to continue the requirements that the diluent packaged with aureomycin ointment be an aqueous solution and that a circular containing directions for use be packaged with tablets aluminum penicillin, except if the drug

is intended solely for veterinary use; and not to change the expiration date of bacitracin ointment from 12 to 18 months.
